PROTECTIVE CASE SlidePad 7"8"10"

- **Protective case for SlidePad**
- **Carry your SlidePad in total safety**
- **Protective cover and Ergonomic stand**
- **Protects from dust, shocks, abrasions**

The protective cover for Memup SlidePad is specially designed to protect your SlidePad tablet from dust, shocks and scratches. The cut-outs allow access to the buttons and connectors so you can use your SlidePad in complete safety. It has practical storage compartments for your credit cards, business cards and flash drive. Your multi-purpose cover can be used as a support thanks to its various angle positions to view films, surf the net or e-mail your friends. With its elegant, ultra-slim design, it slips easily into a bag so you can take it along wherever you go: meetings, class, travels, etc.
